

DALE HOLLOW LAKE STATE RESORT PARK

800.325.2282

The view of one of the state's clearest lakes from the Mary Oaken Lodge, the newest lodge in the park system, is nothing less than spectacular. The convention center offers architectural features that include a stone exterior, cedar siding and a dramatic glass corridor leading to the lodge. A separate entrance into the meeting area from the parking lot offers convenience for those attending receptions or banquets that are held in either the main meeting room or outdoor deck.
